ANNEXURE 3

SALIENT FEATURES OF POLICY ON REMUNERATION OF KEY MANAGERIAL PERSONNEL AND EMPLOYEES

Objective

To establish guidelines of remuneration/ compensation/ commission etc. to be paid for employees by way of fairly and in keeping with Statutes, it will be determined by the Nomination & Remuneration committee (NRC) and the NRC will recommend to the Board for approval.

Standards

1. All employees, irrespective of contract, are to be paid remuneration fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
2. Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually.
3. The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July, after the salary increment exercise.
4. The variable component of the remuneration will be a function of the employee's grade.
5. The actual pay-out of variable component of the remuneration will be function of individual performance as well as business performance. Business performance is evaluated using a Balance Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC & KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.
6. An Annual compensation survey is carried out to ensure that the Company's compensation is externally competitive. Based on the findings of the survey and the business performance, the committee decides:
 - (i) The increment that needs to be paid for different performance ratings as well as grades.
 - (ii) The increment for promotions and the total maximum increment.
 - (iii) The maximum increase in compensation cost in % and absolute.
 - (iv) Compensation corrections are made in a few cases where it is outside the band or to keep it tune with the market.

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we have required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Boards of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing ('SAs'), We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) of the Act, We are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure B

To The Independent Auditor's Report Of Even Date On The Financial Statements of INDSOYA LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over financial reporting of Indsoya Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the IND AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the criteria established by the Company considering the size of company and essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the IND AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of IND AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of IND AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the IND AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls were operating effectively as at March 31, 2019, based on the assessment of essential components of internal controls over financial reporting stated in the Guidance Note carried out by the Company and representation to that effect is made available to us by the Company.

NOTES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2019
NOTE '1'

1. Summary of Significant Accounting Policies

1.1 Basis of Preparation

Compliance with Ind AS

The Standalone Financial Statements have been prepared in accordance with Indian Accounting Standards (hereinafter referred to as the "Ind-AS") as notified by the Ministry of Corporate Affairs, pursuant to section 133 of the Companies Act 2013 (The Companies (Indian Accounting Standards) Rules, 2015) and comply in all material aspects with their provisions.

The financial statements up to year ended 31st March 2016 were prepared in accordance with Generally Accepted Accounting Principles (GAAP) in India, Accounting Standards specified under Section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies Act, 2013. These financial statements for the year ended 31st March 2017 are the first, the Company has prepared in accordance with Ind-AS. Refer Note 36 for information on how the Company has adopted Ind-AS.

Historical Cost Conventions and Fair Value

These financial statements have been prepared on a historical cost basis, except for some assets and liabilities which have been measured at fair value, as specifically disclosed.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Reporting Presentation Currency

All amounts in the standalone financial statements and notes thereon have been presented in Indian Rupees (INR) (reporting and primarily functional currency of the company).

1.2 Classification of Assets and Liabilities

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Ind-AS 1 notified under the Companies (Indian Accounting Standards) Rules, 2015. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, twelve months has been considered by the Company for the purpose of current/ non-current classification of assets and liabilities. However certain liabilities such as trade payables and some accruals for employee and other operating costs are part of the working capital used in the Company's normal operating cycle, accordingly classified as current liabilities even if they are due to be settled more than twelve months after the reporting period.

1.3 Accounting Estimates & Judgements and key sources of estimation uncertainty

Due to the nature of the Company's operations, critical accounting estimates and judgements principally relate to the:

- Tangible fixed assets (estimate useful life);
- Intangible fixed assets (estimate useful life)
- Impairment testing (if and when applicable)
- Provision inventories (obsolescence / lower net realizable value)
- Provision for doubtful debts
- Provision for employees' post employment benefits (actuarial assumptions)

In preparing the financial statements in conformity with the accounting principles generally accepted in India, management is required to make estimates and assumptions that affect reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of the financial statements and the amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Any revision to such estimates is recognised in the period in which the same is determined.

The management of the Company makes assumptions about the estimated useful lives, depreciation methods or residual values of items of property, plant and equipment, based on past experience and information currently available. In addition, the management assesses annually whether any indications of impairment of intangible assets

and tangible assets. The management of the Company believe that on balance sheet date no impairment indications were existing.

The management of the Company believe that the inventory balances on hand could be sold to the third parties at the disclosed value taking into consideration the condition of inventories held and current conditions in the market.

Furthermore, the management believe that the net carrying amount of trade receivables is recoverable based on their past experience in the market and their assessment of the credit worthiness of debtors at 31st March 2017. Such estimates are inherently imprecise and there may be additional information about one or more debtors that the management are not aware of, which could significantly affect their estimations.

The provisions for defined benefit plans have been calculated by a local (external) actuarial expert. The basic assumptions are related to the mortality, discount rate and expected developments with regards to the salaries. Management believes that the mortality tables used are general acceptable mortality tables the countries involved. The discount rate have been determined by reference to market yields at the end of the reporting period based on the expected duration of the obligation. The future salary increases have been estimated by using the expected inflation plus an additional mark-up based on historical experience and management expectations.

1.6 Property, Plant and Equipment

Recognition and measurement: Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any.

Expenditure during construction / erection period is included under capital work-in-progress and is allocated to the respective property, plant and equipment on completion of construction / erection

Transition to Ind AS

Deemed cost of property, plant and equipment: The Company has opted to continue with the carrying value for all of its property, plant and equipment as recognised in the previous GAAP financial statements as their deemed cost at the transition date to Ind AS (i.e. 1st April, 2016).

1.7 Impairment of Assets

Fixed Assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Whenever the carrying amount of an asset exceeds its recoverable amount, an impairment loss is recognized in the books for the item of fixed assets carried at cost. However in the opinion of the management, no provision is required for impairment of asset in the current year

1.9 Depreciation

- i) Depreciation on property, plant and equipments: Depreciation on property, plant and equipments has been provided on W.D.V. Method at the rates and in the manner specified in schedule II of the Companies Act, 2013.

The details of estimated life for each category of asset are as under:

Assets	Life of Assets
Furniture & Fixture	10 years
Computer/Software	3 years

The cost and related accumulated depreciation are eliminated from the financial statements, upon sale and disposition of the assets and the resultant gains or losses are recognized in the statement of profit and loss.

1.10 Investments and other financial assets

Financial assets are initially measured on trade date at fair value, plus transaction costs. All recognised financial assets are subsequently measured in their entirety at either amortized cost or at fair value.

(a) Classification

The Investments and other financial assets has been classified as per Company's business model for managing the financial assets and the contractual terms of the cash flows.

(b) Measurement

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Amortised Cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in profit and loss using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in profit and loss using the effective interest rate method.

Fair value through profit or loss:

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises.

(b.2) Equity/Mutual Fund instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/(losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

- Investment in equity shares of subsidiaries, Partnership Firm and associates: On the transition date, the Company has opted to carry investments in Equity shares of subsidiaries and associates at their deemed cost, i.e. previous GAAP carrying amount.

(c) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 37 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

1.11 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits and highly liquid investments with an original maturity of three months or less which are readily convertible in cash and subject to insignificant risk of change in value.

For the purposes of the Statement of Cash Flow, cash and cash equivalents is as defined above, net of outstanding bank overdrafts. In the balance sheet, bank overdrafts are shown within borrowings in current liabilities.

1.12 Revenue Recognition

Revenue from the sales of goods is recognized when the significant risks & rewards of ownership of the goods have passed to the buyer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sales of goods. Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, and value added taxes.

1.13 Other Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend income is recognized in the income statement on the date the entity's right to receive payments is established.

Company has elected to present gains or losses arising from fair value adjustments of financial instruments, gains or losses on disposal of property, plant and equipment, gain or losses from disposal/redemption of investments and regular foreign currency transactions and translations as a separate line item "other gains/(losses) - net" on the face of the statement of profit and loss as permitted in para 85 of Ind AS 1.

1.14 Income Taxes

The income tax expense is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years. Deferred tax is provided using the balance sheet liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantially enacted at the balance sheet date.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity/Mutual Funds. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.15 Contingent Liabilities and Contingent Assets

A contingent liability is a possible obligation that arises from a past event, with the resolution of the contingency dependent on uncertain future events, or a present obligation where no outflow is probable. Major contingent liabilities are disclosed in the financial statements unless the possibility of an outflow of economic resources is remote. Contingent assets are not recognized in the financial statements but disclosed, where an inflow of economic benefit is probable.

1.16 Earnings Per Share

Earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

1.17 Retirement Benefits

Retirement benefits like gratuity and leave encashment are accounted for on accrual basis.

NOTE 13- FIRST TIME ADOPTION OF IND AS

13.1 Transition to IND AS

The Company has adopted The Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Companies Act 2013 from April 1, 2016 and accordingly financial statements have been prepared in accordance with the recognition and measurement principles laid down in the Ind AS, prescribed under Section 133 of the Companies Act 2013 read with the relevant rules issued thereunder. These are the Company's first financial statements prepared in accordance with Ind AS. The accounting policies set out in note 1 have been applied in preparing the financial statements for the year ended 31 March 2018, the comparative information presented for the year ended 31 March 2017 and in the preparation of an opening Ind AS balance sheet as at 1 April 2016 (the transition date).

In preparing the opening Ind AS balance sheet as at 1st April 2016, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP). The impact of transition has been made in the Reserves as at 1st April 2016 in accordance with the Ind AS 101 and the figures of the previous year ended 1st April 2016 and 31st March 2017 have been presented/restated after incorporating the applicable Ind AS adjustments.

An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables and notes.

13.2 Optional Exemptions Availed

Set out below are the applicable Ind AS 101 optional exemptions, applied in the transition from previous GAAP to Ind AS.

(A) Deemed Cost

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant & equipment and intangible assets as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. Accordingly, the Company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value.

(B) Designation of previously recognised financial instruments.

Ind AS 101 allows an entity to designate investments in equity instruments at Fair value through Other Comprehensive Income (FVOCI) on the basis of the facts and circumstances at the date of transition to Ind AS.

13.3 Exceptions availed

(A) Estimates

The Company's estimates in accordance with Ind ASs as at the date of transition (1st April 2015) to Ind AS are consistent with the estimates made for the same date in accordance with previous GAAP. The Company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP:-

- Investment in equity instruments carried at FVOCI (Fair Value through other comprehensive income);
- Investment in debt instruments carried at FVTPL (Fair Value through profit & Loss Account).
- Impairment of financial assets based on expected credit loss model
- Determination of the discounted value for financial instruments carried at amortised cost

(B) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

14. Pursuant to requirement of IND AS – 24 the details of transaction carried out during the year with the related parties are disclosed as under :-

Sr. No.	Name of Party	Relationship	Nature of Transaction	Amount (Rs.)
i).	Tania Industries Pvt. Ltd.	Related Party	Interest Received	1039573 (1136156)
			Advances outstanding 31/03/2018	7378947 (7990995)

15 Sundry debits/credit balances are subject to confirmation and reconciliation if any.

16 Accounting Standard by ICAI Earning per Share is calculated as follows:

	<u>2018-2019</u>	<u>2017-2018</u>
a) Net . Profit available after tax (In Rupees)	(-) <u>685377</u>	(-) <u>643638</u>
b) Weighted average number of Equity Shares	200000	200000
c) Basic & Diluted Earning per Share (In Rupees)	(-) <u>3.43</u>	(-) <u>3.22</u>

17. Retirement benefits like gratuity and leave encashment are accounted for on accrual basis instead of actuarial basis as prescribed in IND AS 19. In view of management, it has no materially effected on the affairs of the company.

18. Figures of the previous year have been rearranged and/or regrouped wherever necessary to conform to current year's presentation

The notes referred to above are form an integral part of the Profit & Loss Account.
