7. Shareholders are requested to notify immediately any change in their addresses to the Company's Registrar & Share Transfer Agent.
8. Copies of the 42nd Annual Report 2022 are being sent by electronic mode to those members whose email addresses are registered with the Company / Depository

Participant(s) for communication purposes. For members who have not registered their email addresses, physical copies of the 42nd Annual Report 2022 are being sent by the permitted mode. However such members are requested to register their respective e-mail address with the Company / Depository Participant.

9. The Explanatory Statement pursuant to Section 102 of the Act setting out material facts concerning the special business under Item No. 4 of the accompanying Notice is given.

10. Additional information pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in respect of the Directors appointment or re-appointment at the Annual General Meeting is furnished and forms part of the Notice.

11. Mr. Martinho Ferrao of M/s. Marinho Ferrao & Associates, Practicing Company Secretaries (Membership No: FCS-6221) has been appointed as the Scrutinizer to scrutinize the voting at the annual general meeting and remote e-voting process in a fair and transparent manner.

12. The Chairperson shall, at the AGM, at the end of discussion on the resolutions on which voting is to be held, allow voting with the assistance of scrutinizer, by use of Poll Paper for all those members who are present at the AGM but have not cast their votes by availing the remote e-voting facility.

13. The Scrutinizer shall after the conclusion of voting at the general meeting, will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than 48 hours of the conclusion of the AGM, a consolidated scrutinizer's report of the total votes cast in favor or against if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.

14. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.indsoya.com and on the website of CDSL, immediately after the declaration of result by the Chairperson or a person authorized by him in writing. The results shall also be immediately forwarded to the BSE Limited, Mumbai and DSE ESTATES LIMITED (Formerly known as Delhi Stock Exchange Limited).

15. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.indsoya.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility for AGM) i.e. www.evotingindia.com.

16. The facility for voting through poll paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.

17. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.

CDSL E-VOTING SYSTEM – FOR E-VOTING:

18. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.

19. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.indsoya.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and also shall be sent to DSE Estates Limited. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- i. The voting period begins on 20th September, 2022 and 09:00 AM IST and ends on 22nd September, 2022 and 05:00 PM. IST. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 16th September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts' websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/212 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email id in their demat accounts in order to access e-Voting facility.

INDUSTRY REVIEW AND OVERVIEW:

India is the largest producer of oilseeds in the world and the oilseed sector occupies an important position in the country's economy. India is blessed with many positive factors that enable it to stand in a unique position in Agro-based products. India is a major oilseed producing country among the different countries producing oilseeds; India has the largest area and production of few oilseed crops, namely groundnut, rapeseed/mustard, sesame, and coconut. Yet, India is the largest importer of edible oil. Oilseeds area and output are concentrated in the central and southern parts of India, mainly in the states of Madhya Pradesh, Gujarat, Rajasthan, Andhra Pradesh and Karnataka. Among different oilseeds, groundnut, rapeseed-mustard and soybean account for about 40 per cent of area and 87 per cent of production of oilseeds in the country.

The outbreak of the COVID-19 pandemic, in early 2020, however, had disrupted the supply chains of edible oil due to the temporary shutdown of several oil production units, restricted import activities, and the unavailability of raw materials. Furthermore, the national lockdown had led to a temporary closure of hotels, restaurants, canteens, and public food joints in the country, thereby negatively affecting the demand of edible oil. The India edible oil market, however recovering from 2021 onwards and exhibit strong growth during 2021-2026. Additionally, the elevating consumer living standards coupled with the increasing penetration of international culinary trends are further augmenting the demand for high-quality product variants, such as olive oil, sesame oil, flaxseed oil, etc.

This gave a thrust to Government's efforts for augmenting the production of oilseeds. This is evident by the very impressive increase in the production of oilseeds. Most of the oilseeds are cultivated on marginal land and are dependent on rainfall and other climatic conditions. The other dominant feature which has had significant impact on the present status of edible oilseeds/oil industry has been the program of liberalization under which the Government's economic policy allowing greater freedom to the open market and encourages healthy competition and self-regulation rather than protection and control. Controls and regulations have been relaxed resulting in a highly competitive market dominated by both domestic and multinational players.

India Edible Oil Market Outlook, 2025', gives an insight into the transformation to occur in the edible oil market. The government intends to increase production from 30.88 to 47.80 million tonnes of oilseeds that will produce 7.00 to 11.00 million tonnes of edible oils from primary sources by FY 2025.

With the combined efforts of government, industry companions we can achieve sovereignty and independence in the edible and non-edible oil industry. There is still a long way to go but with dedication towards corporate governance and business ethics day is not far away when we will achieve new heights by following the principle "Everyone will accompany, everyone will nurture."

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we have required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Boards of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing ('SAs'), We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) of the Act, We are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the company so far as it appears from our examination of those books;

- c. The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes In Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts;
- d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standard) Rules 2016.
- e. On the basis of the written representations received from the directors as on 31 March 2022, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022, from being appointed as a director in terms of section 164(2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial Reporting of the Company and the operating effectiveness of such controls, Refer to our separate Report in "Annexure B".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long term contract including derivative contract; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There has not been any occasion in case of the Company during the year under report to transfer any sums to the investor education and protection fund. The question of delay in transferring such sums does not arise.
 - iv. 1. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary companies incorporated in India to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding Company or its subsidiary companies incorporated in India or
 - b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - 2. The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Holding Company or its subsidiary companies incorporated in India from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its subsidiary companies incorporated in India shall:

- a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the funding parties or
- b) provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.
3. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d)(i) and d(ii) contain any material mis-statement.
- v. The dividend declared or paid during the year by the Holding Company and its subsidiary companies incorporated in India are in compliance with section 123 of the Act.

Annexure B

**To the Independent Auditor's Report of even date on the financial statements of
INDSOYA LIMITED**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143
of the Companies Act, 2013 ("the Act")**

We have audited the Internal Financial Controls over financial reporting of Indsoya Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the IND AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the criteria established by the Company considering the size of company and essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the

auditor's judgment, including the assessment of the risks of material misstatement of the IND AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of IND AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of IND AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the IND AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls were operating effectively as at March 31, 2022, based on the assessment of essential components of internal controls over

financial reporting stated in the Guidance Note carried out by the Company and representation to that effect is made available to us by the Company.

NOTES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2022

NOTE '1'

1. Summary of Significant Accounting Policies

1 Basis of Preparation

Compliance with Ind AS

The Standalone Financial Statements have been prepared in accordance with Indian Accounting Standards (hereinafter referred to as the "Ind-AS") as notified by the Ministry of Corporate Affairs, pursuant to section 133 of the Companies Act 2013 (The Companies (Indian Accounting Standards) Rules, 2015) and comply in all material aspects with their provisions.

The financial statements up to year ended 31st March 2016 were prepared in accordance with Generally Accepted Accounting Principles (GAAP) in India, Accounting Standards specified under Section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies Act, 2013. These financial statements for the year ended 31st March 2017 are the first, the Company has prepared in accordance with Ind-AS. Refer Note 36 for information on how the Company has adopted Ind-AS.

Historical Cost Conventions and Fair Value

These financial statements have been prepared on a historical cost basis, except for some assets and liabilities which have been measured at fair value, as specifically disclosed.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Reporting Presentation Currency

All amounts in the standalone financial statements and notes thereon have been presented in Indian Rupees (INR) (reporting and primarily functional currency of the company).

1.2 Classification of Assets and Liabilities

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Ind-AS 1 notified under the Companies (Indian Accounting Standards) Rules, 2015. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, twelve months has been considered by the Company for the purpose of current/non-current classification of assets and liabilities. However certain liabilities such as trade payables and some accruals for employee and other operating costs are part of the working capital used in the Company's normal operating cycle, accordingly classified as current

liabilities even if they are due to be settled more than twelve months after the reporting period.

1.3 Accounting Estimates & Judgements and key sources of estimation uncertainty

Due to the nature of the Company's operations, critical accounting estimates and judgements principally relate to the:

- Tangible fixed assets (estimate useful lives)
- Intangible fixed assets (estimate useful lives)
- Impairment testing (if and when applicable)
- Provision inventories (obsolescence, lower net realizable value)
- Provision for doubtful debts
- Provision for employees' post employment benefits (accrual basis)

In preparing the financial statements in conformity with the accounting principles generally accepted in India, management is required to make estimates and assumptions that affect reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of the financial statements and the amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Any revision to such estimates is recognized in the period in which the same is determined.

The management of the Company makes assumptions about the estimated useful lives, depreciation methods or residual values of items of property, plant and equipment, based on past experience and information currently available. In addition, the management assesses annually whether any indications of impairment of intangible assets and tangible assets. The management of the Company believe that on balance sheet date no impairment indications were existing.

The management of the Company believe that the inventory balances on hand could be sold to the third parties at the disclosed value taking into consideration the condition of inventories held and current conditions in the market.

Furthermore, the management believe that the net carrying amount of trade receivables is recoverable based on their past experience in the market and their assessment of the credit worthiness of debtors at 31st March 2020. Such estimates are inherently imprecise and there may be additional information about one or more debtors that the management are not aware of, which could significantly affect their estimations.

The provisions for defined benefit plans have been calculated by a local (external) actuarial expert. The basic assumptions are related to the mortality, discount rate and expected developments with regards to the salaries. Management believes that the mortality tables used are general acceptable mortality tables the countries involved. The discount rate have been determined by reference to market yields at the end of the reporting period based on the expected duration of the obligation. The future salary

increases have been estimated by using the expected inflation plus an additional mark-up based on historical experience and management expectations.

1.4 Property, Plant and Equipment

Recognition and measurement: Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any.

Expenditure during construction / erection period is included under capital work-in-progress and is allocated to the respective property, plant and equipment on completion of construction / erection

Transition to Ind AS

Deemed cost of property, plant and equipment: The Company has opted to continue with the carrying value for all of its property, plant and equipment as recognised in the previous GAAP financial statements as their deemed cost at the transition date to Ind AS (i.e. 1st April, 2016).

1.5 Impairment of Assets

Fixed Assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Whenever the carrying amount of an asset exceeds its recoverable amount, an impairment loss is recognized in the books for the item of fixed assets carried at cost. However in the opinion of the management, no provision is required for impairment of asset in the current year.

1.6 Depreciation

- i) Depreciation on property, plant and equipments: Depreciation on property, plant and equipments has been provided on W.D.V. Method at the rates and in the manner specified in schedule II of the Companies Act, 2013. The details of estimated life for each category of asset are as under:

Assets	Life of Assets
Furniture & Fixture	10 years
Computer/Software	3 years

The cost and related accumulated depreciation are eliminated from the financial statements, upon sale and disposition of the assets and the resultant gains or losses are recognized in the statement of profit and loss.

1.7 Investments and other financial assets

Financial assets are initially measured on trade date at fair value, plus transaction costs. All recognised financial assets are subsequently measured in their entirety at either amortised cost or at fair value.

(a) Classification

The Investments and other financial assets has been classified as per Company's business model for managing the financial assets and the contractual terms of the cash flows.

(b) Measurement

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Amortised Cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in profit and loss using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in profit and loss using the effective interest rate method.

Fair value through profit or loss:

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises.

(b.2) Equity/Mutual Fund Instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

• Investment in equity shares of subsidiaries, Partnership Firm and associates: On the transition date, the Company has opted to carry investments in Equity shares of subsidiaries and associates at their deemed cost, i.e. previous GAAP carrying amount.

(c) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 37 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

1.8 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits and highly liquid investments with an original maturity of three months or less which are readily convertible in cash and subject to insignificant risk of change in value.

For the purposes of the Statement of Cash Flow, cash and cash equivalents is as defined above, net of outstanding bank overdrafts. In the balance sheet, bank overdrafts are shown within borrowings in current liabilities.

1.9 Revenue Recognition

Revenue from the sales of goods is recognized when the significant risks & rewards of ownership of the goods have passed to the buyer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sales of goods. Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, and value added taxes.

1.10 Other Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend income is recognised in the income statement on the date the entity's right to receive payments is established.

Company has elected to present gains or losses arising from fair value adjustments of financial instruments, gains or losses on disposal of property, plant and equipment, gain or losses from disposal/redemption of investments and regular foreign currency transactions and translations as a separate line item "other gains/(losses) - net" on the face of the statement of profit and loss as permitted in para 85 of Ind AS 1.

1.11 Income Taxes

The income tax expense is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years. Deferred tax is provided using the balance sheet liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantially enacted at the balance sheet date.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity/Mutual Funds. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.12 Contingent Liabilities and Contingent Assets

A contingent liability is a possible obligation that arises from a past event, with the resolution of the contingency dependent on uncertain future events, or a present obligation

where no outflow is probable. Major contingent liabilities are disclosed in the financial statements unless the possibility of an outflow of economic resources is remote. Contingent assets are not recognized in the financial statements but disclosed, where an inflow of economic benefit is probable.

1.13 Earnings Per Share

Earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

1.14 Retirement Benefits

Retirement benefits like gratuity and leave encashment are accounted for on accrual basis.
